As Easy As Pie!

Over decades of experience working with countless organizations has led us to the perfect process.

- First, you and your organization determine the selling price for the pies - you can set it to whatever will work best for your area and your goals.
- Then, we sell your organization 9" fresh baked, handmade pies at our group prices.
- Finally, you celebrate completing your fundraiser selling a quality product to your community and raising the funds needed for your cause! Easy as Pie!
